Oxford Square Capital Corp.
Investor Presentation
Quarter Ended March 31, 2019

Disclaimer

These materials and any presentation of which they form a part are neither an offer to sell, nor a solicitation of an offer to purchase, any securities of Oxford Square Capital Corp. (“OXSQ” or the “Company”).

These materials and the presentations of which they are a part, and the summaries contained herein, do not purport to be complete and no obligation to update or otherwise revise such information is being assumed. Nothing shall be relied upon as a promise or representation as to the future performance of the Company. Such information is qualified in its entirety by reference to the more detailed discussions contained elsewhere in the Company’s public filings with the Securities and Exchange Commission.

There is no guarantee that any of the estimates, targets or projections illustrated in these materials and any presentation of which they form a part will be achieved. Any references herein to any of the Company’s past or present investments or its past or present performance, have been provided for illustrative purposes only. It should not be assumed that these investments were or will be profitable or that any future investments by the Company will be profitable or will equal the performance of these investments.

The information contained herein has been derived from financial statements and other documents provided by the portfolio companies and/or the third party manager of such portfolio companies unless otherwise stated. Certain information discussed in this presentation (including information relating to portfolio companies) was derived from third party sources and has not been independently verified and accordingly, OXSQ makes no representation or warranty with respect to this information.

Past performance is not indicative of future results. In addition, there can be no assurance that unrealized gains/losses will be realized at the expected multiples shown as actual realized returns will depend on, among other factors, future operating results of each of the Company’s current portfolio companies, the value of the assets and economic conditions at the time of disposition, any related transaction costs, and the timing and manner of sale, all of which may differ from the assumptions on which the Company’s expected returns are based. In many instances, the Company will not determine the timing or manner of sale of the Company’s portfolio companies.

Statements included herein may constitute “forward-looking statements,” which relate to future events or our future performance or financial condition. These statements are not guarantees of future performance, condition or results and involve a number of risks and uncertainties. Actual results may differ materially from those in the forward-looking statements as a result of a number of factors, including those described from time to time in our filings with the Securities and Exchange Commission. OXSQ undertakes no duty to update any forward-looking statements made herein, except as may be required by law.
