It is very important that your shares be represented at the Annual Meeting. Whether or not you plan to attend, we hope you will vote as soon as possible. If you are unable to participate at the Annual Meeting, we urge you to follow the instructions on the Notice of Internet Availability of Proxy Materials to vote your proxy on the Internet. We encourage you to vote via the Internet, as it saves us significant time and processing costs. However, on the Notice of Internet Availability of Proxy Materials, you will also find instructions on how to request a hard copy of the proxy statement and proxy card free of charge and you may vote your proxy by returning your proxy card to us after you request the hard copy materials. Returning the proxy or voting by Internet or telephone does not deprive you of your right to attend the Annual Meeting and to vote your shares in person.

We look forward to seeing you at the Annual Meeting. Your vote and participation, no matter how many or how few shares you own, are very important to us.

Sincerely yours,

We are furnishing the proxy statement and proxy card to our stockholders on the Internet, available at <http://www.edocumentview.com/OXSQ>, rather than mailing printed copies of those materials to each stockholder. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy statement and proxy card unless you request them. In the event there are not sufficient votes for a quorum or to approve or ratify any of the foregoing proposals at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit further solicitation of proxies by the Company.

We are not aware of any other business, or any other nominees for election as directors, that may properly be brought before the Annual Meeting. Thank you for your continued support of Oxford Square Capital Corp.

By Order of the Board of Directors,

PROXY STATEMENT
2019 Annual Meeting of Stockholders

General

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board of Directors" or the "Board") of Oxford Square Capital Corp. (the "Company," "OXSQ," "we," "us" or "our") for use at the Company's 2019 Annual Meeting of Stockholders (the "Annual Meeting") to be held on July 26, 2019, at 9:00 a.m., Eastern Time, in the second floor conference room at the offices of the Company located at 8 Sound Shore Drive, Greenwich, Connecticut 06830, and at any postponements or adjournments thereof. This Proxy Statement, the Notice of 2019 Annual Meeting of Stockholders and the Annual Report of the Company for the year ended December 31, 2018 are being provided to the stockholders of OXSQ via the Internet at <http://www.edocumentview.com/OXSQ> on or about June 13, 2019. In addition, a Notice of Internet Availability of Proxy Materials is being sent to stockholders of record of OXSQ on or about June 13, 2019.

We encourage you to vote your shares, either by voting in person at the Annual Meeting or by granting a proxy (*i.e.*, authorizing someone to vote your shares). If you provide voting instructions, either via the Internet, by telephone or by mail, and the Company receives them in time for the Annual Meeting, the persons named as proxies will vote your shares in the manner that you specified.

Annual Meeting Information

Date and Location

We will hold the Annual Meeting in the second floor conference room at the offices of the Company located at 8 Sound Shore Drive, Greenwich, Connecticut 06830, on July 26, 2019 at 9:00 a.m., Eastern Time.

Attendance

You are entitled to attend the Annual Meeting only if you were a stockholder of OXSQ as of the close of business on the record date for the Annual Meeting, which is May 31, 2019 (the "Record Date"), or you hold a valid proxy for the Annual Meeting. You must present valid photo identification, such as a driver's license or passport, for admittance. If you are not a stockholder of record of the Company but hold shares as a beneficial owner in street name, in order to attend the Annual Meeting you must also provide proof of beneficial ownership, such as your most recent account statement prior to the Record Date, a copy of the voting instruction form provided by your broker, bank, trustee, or nominee, or other similar evidence of ownership of shares of the Company.

Since seating is limited, admission to the Annual Meeting will be on a first-come, first-served basis. If you do not comply with the procedures outlined above, you will not be admitted to the Annual Meeting. For security reasons, you and your bags will be subject to search prior to your admittance to the Annual Meeting.

Availability of Proxy and Annual Meeting Materials

This Proxy Statement, the Notice of 2019 Annual Meeting of Stockholders and the accompanying Annual Report of the Company for the fiscal year ended December 31, 2018 are available at <http://www.edocumentview.com/OXSQ>.

Purpose of Annual Meeting

At the Annual Meeting, you will be asked to vote on the following proposals:

Proposal 1 — To elect one director to serve until the 2022 Annual Meeting of Stockholders or until his successor is duly elected and qualified;

Proposal 2 — To ratify the selection of PricewaterhouseCoopers LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2019; and

To transact such other business as may properly come before the Annual Meeting and any adjournments or postponements.

Voting Information

General

OXSQ'S BOARD OF DIRECTORS, INCLUDING ALL THE INDEPENDENT DIRECTORS (AS DEFINED BELOW), UNANIMOUSLY RECOMMENDS THAT YOU VOTE:

- "FOR" OXSQ'S DIRECTOR NOMINEE DESCRIBED IN THIS PROXY STATEMENT (PROPOSAL 1), AND
- "FOR" THE PROPOSAL TO RATIFY THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR OXSQ FOR THE FISCAL YEAR ENDING DECEMBER 31, 2019 (PROPOSAL 2).

Record Date and Voting Securities

You may vote your shares of the Company's common stock, in person or by proxy, at the Annual Meeting only if you were a stockholder of record at the close of business on the Record Date. All shares of the Company's common stock have equal voting rights and are the only class of voting securities outstanding. On the Record Date, there were 47,650,959 shares of the Company's common stock outstanding. Each share of common stock is entitled to one vote.

Quorum Required

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the Record Date, or 23,825,480 shares of the Company's common stock, will constitute a quorum. Abstentions will be treated as shares present for quorum purposes. Shares for which brokers have not received voting instructions from the beneficial owner of the shares and do not have discretionary authority to vote on a proposal at the Annual Meeting (which are considered "Broker Non-Votes" with respect to such proposal) will be treated as shares present for quorum purposes. However, abstentions and Broker Non-Votes are not counted as votes cast. If a quorum is not present, the Annual Meeting may be adjourned pursuant to the provisions of the Company's Bylaws until a quorum is present. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

Submitting Voting Instructions for Shares Held Through a Broker, Bank, Trustee, or Nominee

If you hold shares of the Company's common stock through a broker, bank, trustee, or nominee, you must follow the voting instructions you receive from your broker, bank, trustee, or nominee. If you hold shares of the Company's common stock through a broker, bank, trustee, or nominee and you want to vote in person at the Annual Meeting, you must obtain a legal proxy from the record holder of your shares and present it at the Annual Meeting. **Please instruct your broker, bank, trustee, or nominee so your vote can be counted.**

Discretionary Voting

Typically, “non-routine” matters would include the election of directors (Proposal 1), while “routine” matters would include the ratification of the appointment of our independent registered public accounting firm (Proposal 2). However, when a matter to be voted on at a stockholder’s meeting is the subject of a contested solicitation, brokers do not have discretion to vote your shares on any matters at the Annual Meeting, to the extent they have provided you with the opposition party’s proxy materials.

Please note that to be sure your vote is counted on all of the proposals to be considered at the Annual Meeting, including the election of directors, you should instruct your broker, bank, trustee, or nominee how to vote your shares. If you do not provide voting instructions, votes may not be cast on your behalf with respect to those “non-routine” matters.

Authorizing a Proxy for Shares Held in Your Name

If you are a record holder of shares of the Company’s common stock, you may authorize a proxy to vote on your behalf by following the instructions provided on the enclosed proxy card. Authorizing your proxy will not limit your right to vote in person at the Annual Meeting. A properly completed and submitted proxy will be voted in accordance with your instructions, unless you subsequently revoke your instructions. If you authorize a proxy without indicating your voting instructions, the proxyholder will vote your shares according to the Board’s recommendations. Internet and telephone voting procedures are designed to authenticate the stockholder’s identity and to allow stockholders to vote their shares and confirm that their instructions have been properly recorded. Your telephone or Internet vote authorizes the named proxies to vote your shares in the same manner as if you had marked, signed and returned a proxy card.

Receipt of Multiple Proxy Cards

Many of our stockholders hold their shares in more than one account and may receive separate proxy cards or voting instruction forms for each of those accounts. To ensure that all of your shares are represented at the Annual Meeting, we recommend that you vote every proxy card you receive.

Revoking Your Proxy

If you are a “stockholder of record” (*i.e.*, you hold shares directly in your name), you may revoke a proxy at any time before it is exercised by: (i) submitting a later-dated proxy that we receive no later than the conclusion of voting at the Annual Meeting; or (ii) voting in person at the Annual Meeting. If you hold shares of the Company’s common stock through a broker, bank, trustee, or nominee, you must follow the instructions you receive from them in order to revoke your voting instructions. Attending the Annual Meeting does not revoke your proxy unless you also vote in person at the Annual Meeting. Stockholders have no dissenters’ or appraisal rights in connection with any of the proposals described herein.

Vote Required

Proposal 1 — Election of Director. In an uncontested election, a majority of the votes cast at a meeting of stockholders duly called and at which a quorum is present shall be sufficient to elect a director. In a contested election, a plurality of all votes cast at a meeting of stockholders duly called and at which a quorum is present shall be sufficient to elect a director. Stockholders may not cumulate their votes. If you vote “Withhold” with respect to OXSQ’s Board nominee, your shares will not be voted with respect to the person indicated. Abstentions and Broker Non-Votes, if any, will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal. This proposal is considered a “non-routine matter”; accordingly, brokers cannot vote on this proposal unless they have received voting instructions from the beneficial owner of the shares.

Proposal 2 — Ratification of Independent Registered Public Accounting Firm. The affirmative vote of a majority of the votes cast at the Annual Meeting in person or by proxy is required to ratify the appointment of PricewaterhouseCoopers LLP to serve as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2019 (*i.e.*, the number of shares voted “for” the ratification of the appointment of PricewaterhouseCoopers LLP exceeds the number of votes “against” the ratification of the appointment of PricewaterhouseCoopers LLP). Abstentions, if any, will not be included in determining the number of votes cast and, as a result, will have no effect on

this proposal. This proposal is considered a “routine matter”; accordingly, brokers have discretionary authority to vote on this proposal without receiving voting instructions from the beneficial owner of the shares.

Additional Solicitation. If there are not enough votes to approve any proposals at the Annual Meeting, stockholders who are represented may adjourn the Annual Meeting to permit the further solicitation of proxies. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies. Also, a stockholder vote may be taken on one or more of the proposals in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval of such proposal(s).

Participants in the Solicitation of Proxies

Under applicable Securities and Exchange Commission (the “SEC”) regulations, the Company, its directors and certain of its executive officers, the officers and employees of Oxford Square Management, LLC (“Oxford Square Management”), the Company’s investment adviser, and the officers and employees of Oxford Funds, LLC (“Oxford Funds”), the Company’s administrator, may be deemed to be participants in the solicitation of proxies from OXSQ’s stockholders in connection with the Annual Meeting. Oxford Square Management and Oxford Funds are both located at 8 Sound Shore Drive, Suite 255, Greenwich, CT 06830. No additional compensation will be paid to directors, officers or regular employees of the Company, Oxford Square Management or Oxford Funds for soliciting proxies in connection with the Annual Meeting.

Information Regarding This Solicitation

The Board is making this proxy solicitation and the Company will bear the expense of the solicitation of proxies for the Annual Meeting, including the cost of preparing, printing and mailing this Proxy Statement, the accompanying Notice of Annual Meeting of Stockholders, and proxy card. If brokers, trustees, or fiduciaries and other institutions or nominees holding shares in their names, or in the name of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners, the Company will reimburse such persons for their reasonable expenses in so doing.

PROPOSAL 1: ELECTION OF DIRECTOR

Pursuant to the Company's bylaws, the number of directors is set at five unless otherwise designated by the Board of Directors. Directors are elected for a staggered term of three years each, with a term of office of one of the three classes of directors expiring each year. Each director will hold office for the term to which he or she is elected or until his or her successor is duly elected and qualified.

Mr. Richard W. Neu has been unanimously nominated by OXSQ's Board of Directors, including the Nominating and Corporate Governance Committee, for election for a three-year term expiring in 2022. Mr. Neu is not being proposed for election pursuant to any agreement or understanding between Mr. Neu and the Company or any other person or entity.

A stockholder can vote for or withhold his, her or its vote from OXSQ's Board nominee. In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy "FOR" the election of the OXSQ's nominee named above. If OXSQ's Board nominee should decline or be unable to serve as a director, it is intended that the proxy will vote for the election of such person as is nominated by the Board of Directors as a replacement. OXSQ's Board of Directors has no reason to believe that the person named above will be unable or unwilling to serve.

In an uncontested election, a majority of the votes cast at a meeting of stockholders duly called and at which a quorum is present shall be sufficient to elect a director. In a contested election, a plurality of all votes cast at a meeting of stockholders duly called and at which a quorum is present shall be sufficient to elect a director. Stockholders may not cumulate their votes. If you vote "Withhold" with respect to the director nominee, your shares will not be voted with respect to the person indicated. Abstentions and Broker Non-Votes, if any, will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal. This proposal is considered a "non-routine matter"; accordingly, brokers cannot vote on this proposal unless they have received voting instructions from the beneficial owner of the shares.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE ELECTION OF MR. RICHARD W. NEU, OXSQ'S NOMINEE NAMED IN THIS PROXY STATEMENT.

Information About the Nominee and Directors

As described below under "Committees of the Board of Directors — Nominating and Corporate Governance Committee," the Board of Directors has identified certain desired talents and experience for director nominees. Board Leadership Structure

Our Board of Directors monitors and performs an oversight role with respect to the business and affairs of OXSQ, including with respect to investment practices and performance, compliance with regulatory requirements and the services, expenses and performance of service providers to OXSQ. Among other things, our Board of Directors approves the appointment of our investment adviser and officers, reviews and monitors the services and activities performed by our investment adviser and executive officers, and approves the engagement, and reviews the performance, of our independent registered public accounting firm.

Under our bylaws, our Board of Directors may designate a Chairman to preside over the meetings of our Board of Directors and meetings of the stockholders and to perform such other duties as may be assigned to him by our Board of Directors. Mr. Novak serves as the Chairman of our Board of Directors. Mr. Novak is not an "interested person" of OXSQ as defined in Section 2(a)(19) of the 1940 Act. We believe that Mr. Novak's financial expertise from his experience as a

financial manager and varied roles on the boards of both publicly-traded and privately-held companies qualifies him to serve as the Chairman of our Board of Directors and provides our Board with particular technology-related knowledge and the perspective of a knowledgeable corporate leader. We believe that we are best served through this existing leadership structure, as Mr. Novak encourages an open dialogue between management and our Board of Directors, ensuring that these groups act with a common purpose with respect to the Company.

Our corporate governance policies include regular meetings of the directors who are not “interested persons” of the Company, as defined in the 1940 Act (the “Independent Directors”), in executive session without the presence of interested directors and management, the establishment of an Audit Committee, Valuation Committee, Nominating and Corporate Governance Committee, and Compensation Committee, all of which are comprised solely of Independent Directors, and the appointment of a Chief Compliance Officer, with whom the Independent Directors meet regularly without the presence of interested directors and other members of management, for administering our compliance policies and procedures.

Board’s Role In Risk Oversight

Our Board of Directors performs its risk oversight function primarily through (i) its four standing committees, which report to the entire Board of Directors and are comprised solely of Independent Directors, and (ii) active monitoring of our Chief Compliance Officer and our compliance policies and procedures.

As described below in more detail under “Committees of the Board of Directors,” the Audit Committee, the Valuation Committee, the Nominating and Corporate Governance Committee and the Compensation Committee assist the Board of Directors in fulfilling its risk oversight responsibilities. The Audit Committee’s risk oversight responsibilities include overseeing our accounting and financial reporting processes, our systems of internal controls regarding finance and accounting, and audits of our financial statements. The Valuation Committee’s risk oversight responsibilities include establishing guidelines and making recommendations to our Board of Directors regarding the valuation of our loans and investments. The Nominating and Corporate Governance Committee’s risk oversight responsibilities include selecting, researching and nominating directors for election by our stockholders, developing and recommending to the Board of Directors a set of corporate governance principles and overseeing the evaluation of our Board of Directors and our management. The Compensation Committee’s risk oversight responsibilities include reviewing and recommending to our Board of Directors for approval the Investment Advisory Agreement and the Administration Agreement, and, to the extent that we may compensate our executive officers directly in the future, reviewing and evaluating the compensation of our executive officers and making recommendations to the Board of Directors regarding such compensation.

Our Board of Directors also performs its risk oversight responsibilities with the assistance of our Chief Compliance Officer. Our Board of Directors annually reviews a written report from the Chief Compliance Officer discussing the adequacy and effectiveness of the compliance policies and procedures of OXSQ and its service providers. The Chief Compliance Officer’s annual report addresses at a minimum (i) the operation of the compliance policies and procedures of OXSQ and its service providers since the last report; (ii) any material changes to such policies and procedures since the last report; (iii) any recommendations for material changes to such policies and procedures as a result of the Chief Compliance Officer’s annual review; and (iv) any compliance matter that has occurred since the date of the last report about which our Board of Directors would reasonably need to know to oversee our compliance activities and risks. In addition, the Chief Compliance Officer meets separately in executive session with the Independent Directors at least quarterly.

We believe that our Board of Directors’ role in risk oversight is effective, and appropriate given the extensive regulation to which we are already subject to as a BDC. As a BDC, we are required to comply with certain regulatory requirements that control the levels of risk in our business and operations. For example, our ability to incur indebtedness is limited such that our asset coverage must equal at least 150% immediately after each time we incur indebtedness, we generally cannot invest in assets that are not “qualifying assets” unless at least 70% of our gross assets consist of “qualifying assets” immediately prior to such investment, and we are not generally permitted to invest, subject to certain exceptions, in any portfolio company in which one of our affiliates currently has an investment.

We recognize that different board roles in risk oversight are appropriate for companies in different situations. We re-examine the manner in which our Board of Directors administers its oversight function on an ongoing basis to ensure that they continue to meet our needs.

Transactions with Related Persons

We have entered into the Investment Advisory Agreement with Oxford Square Management. Oxford Square Management is controlled by Oxford Funds, its managing member. Oxford Funds, as the managing member of Oxford Square Management, manages the business and internal affairs of Oxford Square Management. In addition, Oxford Funds provides us with office facilities and administrative services pursuant to the Administration Agreement. Mr. Cohen is the managing member of and controls Oxford Funds. Mr. Rosenthal is also the President of Oxford Square Management and a member of Oxford Funds.

Mr. Royce has a minority, non-controlling interest in Oxford Square Management, but he does not take part in the management or participate in the operations of Oxford Square Management.

Messrs. Cohen and Rosenthal currently serve as Chief Executive Officer and President, respectively, of Oxford Lane Capital Corp., a non-diversified closed-end management investment company that currently invests primarily in debt and equity tranches of collateralized loan obligation vehicles, and its investment adviser, Oxford Lane Management, LLC. Messrs. Cohen and Rosenthal also currently serve as Chief Executive Officer and President, respectively, of Oxford Bridge Management, LLC, the investment adviser to the Oxford Bridge Funds, and Oxford Gate Management, LLC, the investment adviser to the Oxford Gate Funds. Oxford Funds is the managing member of each of Oxford Bridge Management, LLC and Oxford Gate Management, LLC. As a result, certain conflicts of interest may arise with respect to the management of our portfolio by Messrs. Cohen and Rosenthal on the one hand, and the obligations of Messrs. Cohen and Rosenthal to manage the Oxford Bridge Funds and the Oxford Gate Funds respectively, on the other hand.

Oxford Square Management, Oxford Lane Management, LLC, Oxford Bridge Management, LLC and Oxford Gate Management, LLC are subject to a written policy with respect to the allocation of investment opportunities among OXSQ, Oxford Lane Capital Corp., the Oxford Bridge Funds and the Oxford Gate Funds. Where investments are suitable for more than one entity, the allocation policy generally provides that, depending on size and subject to current and anticipated cash availability, the absolute size of the investment as well as its relative size compared to the total assets of each entity, current and anticipated weighted average costs of capital, among other factors, an investment amount will be determined by the adviser to each entity. If the investment opportunity is sufficient for each entity to receive its investment amount, then each entity receives the investment amount; otherwise, the investment amount is reduced pro rata.

On June 14, 2017, the SEC issued an order permitting OXSQ and certain of its affiliates to complete negotiated co-investment transactions in portfolio companies, subject to certain conditions (the "Order"). Subject to satisfaction of certain conditions to the Order, OXSQ and certain of its affiliates are now permitted, together with any future BDCs, registered closed-end funds and certain private funds, each of whose investment adviser is OXSQ's investment adviser or an investment adviser controlling, controlled by, or under common control with OXSQ's investment adviser, to co-invest in negotiated investment opportunities where doing so would otherwise be prohibited under the 1940 Act, providing OXSQ's stockholders with access to a broader array of investment opportunities. Pursuant to the Order, we are permitted to co-invest in such investment opportunities with our affiliates if a "required majority" (as defined in Section 57(o) of the 1940 Act) of our independent directors make certain conclusions in connection with a co-investment transaction, including, but not limited to, that (1) the terms of the potential co-investment transaction, including the consideration to be paid, are reasonable and fair to us and our stockholders and do not involve overreaching in respect of us or our stockholders on the part of any person concerned, and (2) the potential co-investment transaction is consistent with the interests of our stockholders and is consistent with our then-current investment objective and strategies.

In the ordinary course of business, we may enter into transactions with portfolio companies that may be considered related party transactions. In order to ensure that we do not engage in any prohibited transactions with any persons affiliated with us, we have implemented certain policies and procedures whereby our executive officers screen each of our transactions for any possible affiliations between the proposed portfolio investment, us, companies controlled by us and our employees and directors. We will not enter into any agreements unless and until we are satisfied that doing so will not raise concerns under the 1940 Act or, if such concerns exist, we have taken appropriate actions to seek board review and approval or exemptive relief for such transaction. Our Board of Directors reviews these procedures on an annual basis.

Investment Advisory Agreement Subject to Annual Approval by the Independent Directors

OXSQ's stockholders benefit from a robust annual review of the Investment Advisory Agreement with Oxford Square Management under the 1940 Act. In accordance with the requirements of the 1940 Act, the Board of Directors, including its Independent Directors, review on an annual basis whether the terms of the Investment Advisory Agreement between OXSQ and its investment adviser are fair in light of the services provided by the investment adviser. In other words, the Board considers whether the terms are fair and reasonable in relation to the services rendered.

Our Board of Directors determined at a meeting held on April 23, 2019, to re-approve the Investment Advisory Agreement, as modified by the fee waiver letter, dated March 9, 2016. In its consideration of the re-approval of the Investment Advisory Agreement, the Board of Directors focused on information it had received relating to, among other things:

- The nature, extent and quality of advisory and other services provided by Oxford Square Management, including information about the investment performance of the Company relative to its stated objectives and in comparison to the performance of the Company's peer group and relevant market indices, and concluded that such advisory and other services are satisfactory and the Company's investment performance is reasonable;
- The experience and qualifications of the personnel providing such advisory and other services, including information about the backgrounds of the investment personnel, the allocation of responsibilities among such personnel and the process by which investment decisions are made, and concluded that the investment personnel of Oxford Square Management have extensive experience and are well qualified to provide advisory and other services to the Company;
- The current fee structure, the existence of any fee waivers, and the Company's anticipated expense ratios in relation to those of other investment companies having comparable investment policies and limitations, and concluded that the current fee structure is reasonable;
- The advisory fees charged by Oxford Square Management to the Company and comparative data regarding the advisory fees charged by other investment advisers to business development companies with similar investment objectives, and concluded that the advisory fees charged by Oxford Square Management to the Company are reasonable;
- The direct and indirect costs, including for personnel and office facilities, that are incurred by Oxford Square Management and its affiliates in performing services for the Company and the basis of determining and allocating these costs, and concluded that the direct and indirect costs, including the allocation of such costs, are reasonable;
- Possible economies of scale arising from the Company's size and/or anticipated growth, and the extent to which such economies of scale are reflected in the advisory fees charged by Oxford Square Management to the Company, and concluded that some economies of scale may be possible in the future;
- Other possible benefits to Oxford Square Management and its affiliates arising from their relationships with the Company, and concluded that any such other benefits were not material to Oxford Square Management and its affiliates; and
- Possible alternative fee structures or bases for determining fees, and concluded that the Company's current fee structure and bases for determining fees are satisfactory.

Based on the information reviewed and the discussions detailed above, the Board of Directors, including all of the Independent Directors, concluded that fees payable to Oxford Square Management pursuant to the Investment Advisory Agreement were reasonable, and comparable to the fees paid by other management investment companies with similar investment objectives, in relation to the services to be provided, and the Board of Directors unanimously approved the re-approval of the Investment Advisory Agreement. The Board of Directors did not assign relative weights to the above factors or the other factors considered by it. Individual members of the Board of Directors may have given different weights to different factors.

Review, Approval or Ratification of Transactions with Related Persons

We have also adopted a Code of Business Conduct and Ethics which applies to, among others, our senior officers, including our Chief Executive Officer and Chief Financial Officer, as well as all of our officers, directors and employees. Our Code of Business Conduct and Ethics requires that all employees and directors avoid any conflict, or the appearance of a conflict, between an individual's personal interests and our interests. Pursuant to our Code of Business Conduct and Ethics, each employee and director must disclose any conflicts of interest, or actions or relationships that might give rise to a conflict, to our Chief Compliance Officer. Our Audit Committee is charged with approving any waivers under our Code of Business Conduct and Ethics. As required by the NASDAQ Global Select Market corporate governance listing standards, the Audit Committee of our Board of Directors is also required to review and approve any transactions with related parties (as such term is defined in Item 404 of Regulation S-K).

Corporate Governance

Corporate Governance Documents

Our Code of Business Conduct and Ethics and the Board Committee charters are available on our website at www.oxfordsquarecapital.com and are also available to any stockholder who requests them by writing to Oxford Square Capital Corp., c/o Bruce L. Rubin, Corporate Secretary, 8 Sound Shore Drive, Suite 255, Greenwich, Connecticut 06830.

Director Independence

In accordance with rules of the NASDAQ Stock Market, our Board of Directors annually determines each director's independence. We do not consider a director independent unless our Board of Directors has determined that he or she has no material relationship with us. We monitor the relationships of our directors and officers through a questionnaire each director completes no less frequently than annually and updates periodically as information provided in the most recent questionnaire changes.

In order to evaluate the materiality of any such relationship, our Board of Directors uses the definition of director independence set forth in the rules promulgated by the NASDAQ Stock Market. Rule 5605(a)(2) provides that a director of a BDC, shall be considered to be independent if he or she is not an "interested person" of OXSQ, as defined in Section 2(a)(19) of the 1940 Act.

The Board of Directors has determined that each of the directors is independent and has no relationship with us, except as a director and stockholder, with the exception of Jonathan H. Cohen, as a result of his position as our Chief Executive Officer, and Charles M. Royce, as a result of his ownership of a minority, non-controlling interest in our investment adviser, Oxford Square Management.

Evaluation

The Company's directors perform an evaluation and assessment, no less frequently than annually, of the effectiveness of the Board of Directors and its committees.

Communication with the Board of Directors

Stockholders with questions about OXSQ are encouraged to contact our Investor Relations Department. However, if stockholders believe that their questions have not been addressed, they may communicate with our Board of Directors by sending their communications to Oxford Square Capital Corp., c/o Bruce L. Rubin, Corporate Secretary, 8 Sound Shore Drive, Suite 255, Greenwich, Connecticut 06830. All stockholder communications received in this manner will be delivered to one or more members of our Board of Directors, as appropriate.

Committees of the Board of Directors

Our Board of Directors has established a standing Audit Committee, Valuation Committee, Nominating and Corporate Governance Committee, and Compensation Committee. During 2018, our Board of Directors held six Board meetings, four Audit Committee meetings, four Valuation Committee meetings, one Nominating and Corporate Governance meeting, and one Compensation Committee meeting. All directors attended at least 75% of the aggregate

number of meetings of our Board of Directors and of the respective committees on which they served. We require each director to make a diligent effort to attend all Board and committee meetings, as well as each annual meeting of stockholders.

Audit Committee

The Audit Committee operates pursuant to a charter approved by our Board of Directors, a copy of which is available on our website at www.oxfordsquarecapital.com. The charter sets forth the responsibilities of the Audit Committee. The Audit Committee's responsibilities include recommending the selection of our independent registered public accounting firm, reviewing with such independent registered public accounting firm the planning, scope and results of their audit of our financial statements, pre-approving the fees for services performed, reviewing with the independent registered public accounting firm the adequacy of internal control systems, reviewing our annual financial statements and periodic filings, and receiving the audit reports covering our financial statements. The Audit Committee is presently composed of three persons: Messrs. Novak, Neu and Stelljes, all of whom are considered independent under the rules promulgated by the NASDAQ Global Stock Market. Our Board of Directors has determined that Messrs. Novak, Neu and Stelljes are each an "audit committee financial expert" as that term is defined under Item 407 of Regulation S-K of the Exchange Act. Messrs. Novak, Neu and Stelljes each meet the current independence and experience requirements of Rule 10A-3 of the Exchange Act and, in addition, are each not an "interested person" of OXSQ as defined in Section 2(a)(19) of the 1940 Act. Mr. Neu currently serves as Chairman of the Audit Committee.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee operates pursuant to a charter approved by our Board of Directors, a copy of which is available on our website at www.oxfordsquarecapital.com. The charter sets forth the responsibilities of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee's responsibilities include selecting, researching and nominating directors for election by our stockholders, selecting nominees to fill vacancies on the Board of Directors or a committee thereof, monitoring and making recommendations to the Board of Directors on matters of Company policies and practices relating to corporate governance and overseeing the evaluation of the Board of Directors and our management. The Nominating and Corporate Governance Committee is presently composed of three persons: Messrs. Novak, Neu and Stelljes, all of whom are considered independent under the rules promulgated by the NASDAQ Global Stock Market. Mr. Neu currently serves as Chairman of the Nominating and Corporate Governance Committee.

The Nominating and Corporate Governance Committee does not currently have a written policy with regard to nominees recommended by our stockholders. The absence of such a policy does not mean, however, that a stockholder recommendation would not have been considered had one been received.

The Nominating and Corporate Governance Committee will consider qualified director nominees recommended by stockholders when such recommendations are submitted in accordance with our Bylaws and any applicable law, rule or regulation regarding director nominations. When submitting a nomination for consideration, a stockholder must provide certain information that would be required under applicable SEC rules, including the following minimum information for each director nominee: full name, age and address; principal occupation during the past five years; current directorships on publicly held companies and investment companies; number of shares of Company common stock owned, if any; and, a written consent of the individual to stand for election if nominated by our Board of Directors and to serve if elected by our stockholders.

In evaluating director nominees, the members of the Nominating and Corporate Governance Committee consider the following factors:

- the appropriate size and composition of our Board of Directors;
- whether or not the person is an "interested person" of OXSQ as defined in Section 2(a)(19) of the 1940 Act;
- the knowledge, skills and experience of nominees in light of the Company's business and strategic direction and the knowledge, skills and experience already possessed by other members of the Board of Directors;
- familiarity with business matters;

- experience with accounting rules and practices;
- the desire to complement the considerable benefit of continuity with the benefit of diverse view points and perspectives (such as gender, race, national origin and education); and
- all applicable laws, rules, regulations, and listing standards.

The Nominating and Corporate Governance Committee's goal is to assemble a Board of Directors that brings to OXSQ a variety of perspectives and skills derived from high quality business and professional experience.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the members of the Nominating and Corporate Governance Committee may also consider such other factors as they may deem are in the best interests of OXSQ and its stockholders. The Nominating and Corporate Governance Committee also believes it appropriate for certain key members of our management to participate as members of the Board of Directors.

The members of the Nominating and Corporate Governance Committee identify nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board of Directors with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board of Directors with that of the benefits of diverse perspectives. If any member of the Board of Directors does not wish to continue in service or if the Board of Directors decides not to re-nominate a member for re-election, the independent members of the Board of Directors identify the desired skills and experience of a new nominee in light of the criteria above. The entire Board of Directors is polled for suggestions as to individuals meeting the aforementioned criteria. Research may also be performed to identify qualified individuals. To date, neither the Board of Directors nor the Nominating and Corporate Governance Committee has engaged third parties to identify or evaluate or assist in identifying potential nominees although each reserves the right in the future to retain a third party search firm, if necessary.

The Nominating and Corporate Governance Committee has not adopted a formal policy with regard to the consideration of diversity in identifying director nominees. However, in determining whether to recommend a director nominee, the Nominating and Corporate Governance Committee considers and discusses diversity, among other factors, with a view toward the needs of our Board of Directors as a whole. The Nominating and Corporate Governance Committee generally conceptualizes diversity expansively to include, without limitation, concepts such as gender, race, national origin, differences of viewpoint, professional experience, education, skill and other qualities that contribute to our Board of Directors, when identifying and recommending director nominees. The Nominating and Corporate Governance Committee believes that the inclusion of diversity as one of many factors considered in selecting director nominees is consistent with the Nominating and Corporate Governance Committee's goal of creating a Board of Directors that best serves the needs of OXSQ and the interest of its stockholders.

The Board, including the Nominating and Corporate Governance Committee, unanimously recommended that Richard W. Neu be nominated for election to the Board.

Valuation Committee

The Valuation Committee establishes guidelines and makes recommendations to our Board of Directors regarding the valuation of our loans and investments. Our portfolio investments are generally not publicly traded securities. As a result, there is no readily determinable market value for these securities. Thus, as required by the 1940 Act for such securities, we value these securities at fair value as determined in good faith by our Board of Directors based upon the recommendation of the Valuation Committee. The Valuation Committee is presently composed of three persons: Messrs. Novak, Neu and Stelljes, all of whom are considered independent under the rules of the NASDAQ Global Select Market and are not "interested persons" of OXSQ as that term is defined in Section 2(a)(19) of the 1940 Act. Mr. Stelljes currently serves as Chairman of the Valuation Committee.

Compensation Committee

The Compensation Committee operates pursuant to a charter approved by our Board of Directors, a copy of which is available on our website at www.oxfordsquarecapital.com. The charter sets forth the responsibilities of the Compensation Committee. The Compensation Committee is responsible for annually reviewing and recommending for approval to our Board of Directors the Investment Advisory Agreement and the Administration Agreement. The Compensation Committee is also responsible for reviewing and approving the compensation of the Independent

Directors, including the Chairman of the Board of Directors. In addition, although we do not directly compensate our executive officers currently, to the extent that we do so in the future, the Compensation Committee would also be responsible for reviewing and evaluating their compensation and making recommendations to the board of directors regarding their compensation. Lastly, the Compensation Committee would produce a report on our executive compensation practices and policies for inclusion in our proxy statement if required by applicable proxy rules and regulations and, if applicable, make recommendations to the board of directors on our executive compensation practices and policies. The Compensation Committee has the authority to engage compensation consultants and to delegate their duties and responsibilities to a member or to a subcommittee of the Compensation Committee. The Compensation Committee is presently composed of three persons: Messrs. Novak, Neu and Stelljes, all of whom are considered independent under the rules of the NASDAQ Global Select Market and are not "interested persons" of OXSQ as that term is defined in Section 2(a)(19) of the 1940 Act. Mr. Novak serves as Chairman of the Compensation Committee.

Code of Ethics

We have adopted a Code of Business Conduct and Ethics which applies to, among others, our senior officers, including our Chief Executive Officer and our Chief Financial Officer, as well as every officer, director and employee of OXSQ. Our code can be accessed via our website at www.oxfordsquarecapital.com. We intend to disclose amendments to or waivers from a required provision of the code on Form 8-K. We intend to disclose any substantive amendments to, or waivers from, this code of ethics within four business days of the waiver or amendment through a posting on our website.

Compensation of Executive Officers

None of our officers receive direct compensation from OXSQ. As a result, we do not engage any compensation consultants. Mr. Cohen, our Chief Executive Officer, and Mr. Rosenthal, our President and Chief Operating Officer, through their ownership interest in Oxford Funds, the managing member of Oxford Square Management, are entitled to a portion of any profits earned by Oxford Square Management, which includes any fees payable to Oxford Square Management under the terms of our Investment Advisory Agreement, less expenses incurred by Oxford Square Management in performing its services under the Investment Advisory Agreement. Messrs. Cohen and Rosenthal do not receive any additional compensation from Oxford Square Management in connection with the management of our portfolio.

The compensation of our Chief Financial Officer and Corporate Secretary is paid by our administrator, Oxford Funds, subject to reimbursement by us of an allocable portion of such compensation for services rendered by our Chief Financial Officer and Corporate Secretary to OXSQ. The allocable portion of such compensation that is reimbursed to Oxford Funds by us is based on an estimate of the time spent by our Chief Financial Officer and Corporate Secretary and other administrative personnel in performing their respective duties for us in accordance with the Administration Agreement. For the fiscal year ended December 31, 2018, we accrued approximately \$0.9 million for the allocable portion of compensation expenses incurred by Oxford Funds, on our behalf for our Chief Financial Officer, our Treasurer and Controller, and other administrative support personnel, pursuant to our Administration Agreement with Oxford Funds. Mr. Cummins is a Director of Alaric Compliance Services, LLC, and performs his functions as our Chief Compliance Officer under the terms of an agreement between us and Alaric Compliance Services, LLC. For the fiscal year ended December 31, 2018, we accrued approximately \$121,000 for the fees paid to Alaric Compliance Services, LLC.

Compensation of Directors

Each independent director receives an annual fee of \$90,000. The Chairman of the Board of Directors receives an additional annual fee of \$30,000 for his service as Chairman of the Board of Directors. In addition, the independent directors receive \$4,000 plus reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each Board of Directors meeting, \$1,500 plus reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each Valuation Committee meeting, \$1,500 plus reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each Audit Committee meeting, \$1,000 plus reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each Nominating and Corporate Governance Committee meeting, \$1,000 plus reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each Compensation Committee meeting. The Chairman of the Audit Committee also receives an additional annual fee of \$10,000 for his service as chair of the Audit Committee. The Chairman of the Valuation Committee also

receives an additional annual fee of \$7,500 for his service as chair of the Valuation Committee. The Chairman of the Nominating and Corporate Governance Committee also receives an additional annual fee of \$5,000 for his service as chair of the Nominating and Corporate Governance Committee. The Chairman of the Compensation Committee also receives an additional annual fee of \$5,000 for his service as chair of the Compensation Committee. Audit Committee Report

The Audit Committee of the Board of Directors of Oxford Square Capital Corp. operates under a written charter adopted by the Board of Directors. The Audit Committee is currently composed of Messrs. Novak, Neu and Stelljes.

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent registered public accounting firm is responsible for performing an independent audit of the Company's financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) (the "PCAOB") and expressing an opinion on the conformity of those audited financial statements in accordance with accounting principles generally accepted in the United States. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee is also directly responsible for the appointment, compensation and oversight of the Company's independent registered public accounting firm.

Audit Firm Selection/Ratification

At least annually, the Audit Committee reviews the Company's independent registered public accounting firm to decide whether to retain such firm on behalf of the Company. PricewaterhouseCoopers LLP has been the Company's independent registered public accounting firm since 2003.

When conducting its latest review of PricewaterhouseCoopers LLP, the Audit Committee actively engaged with PricewaterhouseCoopers LLP's engagement partners and considered, among other factors:

- the professional qualifications of PricewaterhouseCoopers LLP and that of the lead audit partner and other key engagement members relative to the current and ongoing needs of the Company;
- PricewaterhouseCoopers LLP's historical and recent performance on the Company's audits, including the extent and quality of PricewaterhouseCoopers LLP's communications with the Audit Committee related thereto;
- senior management's assessment of PricewaterhouseCoopers LLP's performance;
- the appropriateness of PricewaterhouseCoopers LLP's fees relative to both efficiency and audit quality;
- PricewaterhouseCoopers LLP's independence policies and processes for maintaining its independence;
- PCAOB audit quality inspection reports on PricewaterhouseCoopers LLP;
- PricewaterhouseCoopers LLP's tenure as the Company's independent registered public accounting firm and its related depth of understanding of the Company's businesses, operations and systems and the Company's accounting policies and practices;
- PricewaterhouseCoopers LLP's professional integrity and objectivity;
- the relative benefits, challenges, overall advisability and potential impact of selecting a different independent registered public accounting firm.

As a result of this evaluation, the Audit Committee approved the appointment of PricewaterhouseCoopers LLP for the 2019 fiscal year, subject to stockholder ratification.

Audit Engagement Partner Selection

Under SEC rules and PricewaterhouseCoopers LLP's practice, the lead engagement audit partner is required to change every five years, and a new lead audit partner has been appointed beginning 2019. The Audit Committee interviewed the incoming lead audit partner and considered his professional qualifications in light of the Company's needs. The Audit Committee has approved the incoming lead audit partner.

Pre- Approval Policy

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by PricewaterhouseCoopers LLP, the Company's independent registered public accounting firm. The policy requires that the Audit Committee pre-approve all services performed by the independent auditor in order to assure that the provision of such service does not impair the auditor's independence.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

During the year ended December 31, 2018, the Audit Committee pre-approved 100% of non-audit services in accordance with the pre-approval policy described above.

Review with Management

The Audit Committee has reviewed the audited financial statements and met and held discussions with management regarding the audited financial statements. Management has represented to the Audit Committee that the Company's financial statements were prepared in accordance with accounting principles generally accepted in the United States.

Review and Discussion with Independent Registered Public Accounting Firm

The Audit Committee has discussed with PricewaterhouseCoopers LLP, the Company's independent registered public accounting firm, matters required to be discussed by the applicable requirements of the PCAOB. The Audit Committee received and reviewed the written disclosures and the letter from the independent registered public accounting firm required by the applicable requirements of the PCAOB and has discussed with the auditors the auditors' independence. The Audit Committee has also considered the compatibility of non-audit services with the auditors' independence.

During 2018, the Audit Committee met with members of senior management and the independent registered public accounting firm to review the certifications provided by the Chief Executive Officer and Chief Financial Officer under the Sarbanes-Oxley Act of 2002 ("Sarbanes-Oxley"), the rules and regulations of the SEC and the overall certification process. At these meetings, company officers reviewed each of the Sarbanes-Oxley certification requirements concerning internal control over financial reporting and any fraud, whether or not material, involving management or other employees with a significant role in internal control over financial reporting. In February 2019, the Audit Committee received reports from management and PricewaterhouseCoopers LLP regarding the effectiveness of internal control over financial reporting pursuant to Section 404 of Sarbanes-Oxley.

Conclusion

Based on the Audit Committee's discussion with management and the independent registered public accounting firm, the Audit Committee's review of the audited financial statements, the representations of management and the report of the independent registered public accounting firm to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited financial statements in the Annual Report of the Company for the year ended December 31, 2018 for filing with the SEC. The Audit Committee also recommended the selection of PricewaterhouseCoopers LLP to serve as the independent registered public accounting firm for the year ending December 31, 2019.

Respectfully Submitted,

The Audit Committee
